Christian School

Growing - for Eternity

Uniform Booklet

At Southland Adventist Christian School we want to develop students who are respectful and take pride in their school. We believe that this sense of school pride can be developed through the way our students wear and take care of their school uniform. Outlined in this booklet are the standards which we expect from our students.

Shirt

The girl's shirt is a plain white shirt with the school emblem on the collar.
The boy's shirt is a plain blue shirt with the school emblem on the collar.

Culottes

Girls wear tartan culottes.

Jersey

All students can wear our navy-blue woollen jersey with the school emblem.
These jerseys can only be purchased from the school office.

Shorts

Boys wear navy blue shorts. There are different options available for the junior and senior boys.

Jacket

All students can wear our navy-blue jacket with the school emblem. Jackets are to be worn outside only.

Socks

Boys wear navy-blue long socks with red and white stripes. These are to be pulled up to the knee. Girls wear plain navy long socks or plain navy tights.

Shoes

All students wear black, leather lace-up shoes. The only exception is for Junior Room students who are still learning to tie their laces. They can wear black, leather Velcro or buckle shoes. In summer students have the option of wearing black roman sandals.

Sports Uniform

Sports uniform is worn on the day students have Physical Education or when students are representing our school for a sports event. All students wear our royal blue polo shirt with the school emblem. All students wear plain black sports shorts. All students wear plain white ankles socks with their sports uniform. All students wear sports shoes with their sports uniform.

Hats

During morning tea and lunch time in summer (Term 1 & Term 4) all students must wear either the navy-blue bucket hat or navy-blue "Aussie Style" wide-brimmed hat.

Hair

All hair longer than shoulder length must be tied up. This is to help prevent the spread of head lice. All hair ties must match our school colours.

Winter Warmth

During winter, students are permitted to wear long-sleeve thermal clothing under their uniform provided they are either plain white, navy or black (fitting in with our school colours). Students may also wear plain white, navy or black hats, scarves or gloves while they are outside.

Other Information

No other items beyond what are listed in this booklet are to be worn to school. If your child is out of uniform for any reason a note must be provided. If students are wearing the incorrect or non-uniform items without a note, they will be issued with a blue slip.

We appreciate your support in ensuring our students are dressed in the correct uniform.
